Essay (for multi-week courses only): Please write a short essay to tell us about you and why you want to participate in the program. Length is unimportant; helping us learn something about you is. Use separate paper and attach.

References (for multi-week courses only): Please provide the names and contact information of three people who know you well, at least two of whom are not related to you.

Deposit

Please include a non-refundable deposit for 1/2 of the program tuition. The balance is due in full 60 days before the start of the program. We accept checks, money orders, and credit cards via PayPal (email us for more information about this). For the Earth Skills Summer, Winter and Semester Programs no deposit is necessary and we'll notify you when we review your application. We review applications in the order they're received.

Cancellations and Refund Policy

With cancellations more than 60 days in advance of the course or trip, the tuition, less the deposit, will be refunded. With cancellations less than 60 days prior to the start of the course all monies are non-refundable and non-transferable. These policies reflect the fact that we do not overbook, cancelled spaces are very difficult to fill at the last minute, and that the vast majority of costs are incurred in preparing for a course/trip. If a program is cancelled by us for any reason, the full tuition (including the deposit) will be refunded.
